

TOUCHLESS

Electronic
Universal
Leadership

San Jamar offers the most complete family of Universal Touchless Electronic Dispensers... the universally appealing dispensers that customers are now demanding!

Oceans Family

Classic Family

Our high-quality, innovative, image enhancing dispensers come in two distinct styles: the always appropriate “Classic” style and the contemporary styled “Oceans”.

Right for every environment, right for every need, right for you.

5 reasons to choose San Jamar electronic touchless dispensers.

1. Improved Hygiene

San Jamar’s electronic hands free dispensers allow for the most hygienic dispensing available. Paper is always available and you touch only “your” sheet.

2. Environmentally Friendly

Our dispensers have the industry’s longest battery life allowing you to use fewer batteries. They’re also Universal so you can dispense 100% recycled paper.

3. An Enhanced Image

San Jamar dispensers feature a sleek, upscale design which in combination with their electronic dispensing feature will enhance any environment.

4. The Universal Phenomonon

Customers are now demanding Universal towel dispensers which allow them to choose their paper, quality and cost – making it easy to save big money on paper.

5. San Jamar Quality and

Performance. Our high quality construction ensures years of worry free use. And, each dispenser’s performance is demonstrated daily with the fastest dispensing and best battery life in the industry.
